PETITION FROM THE NEW ZEALAND PUBLIC CALLING ON OUR GOVERNMENT FOR the ELECTRIFICATION OF THE AUCKLAND RAIL NETWORK

To the House of Representatives:

Auckland needs more trains now. Electric trains are faster, quieter, more frequent and less polluting.

- **We, the undersigned support the Auckland Regional Transport Authority's proposal to electrify the Auckland suburban rail network.**
- **We ask the government to urgently agree on an electrification timetable and funding to enable electric trains to be ordered.**
